Mr. Stefan Duve, MD

Dr. Anthony Erian, President

Dr. Ziya Saylan, Vice-President

The European Academy of Cosmetic Surgery was founded in 1996 also to sponsor continuing medical education for physicians. Currently, the EACS operates as an independent, specialized organization dedicated to operate and teach cosmetic surgery. The mission of the EACS is to provide structural educational opportunities to keep up with latest standards, utilizing appropriate methodology enabling the cosmetic surgeons to enhance their skills in the application of the latest responsibility of the physicians in accordance with their needs.
